new york times bestselling author of the prodigal prophet timothy keller shows how god calls on each of us to express meaning and purpose through our work and

careers a touchstone of the new evangelical movement the new york times tim keller pastor of new york s redeemer presbyterian church and the new york times bestselling author of the reason for god has taught and counseled students young professionals and senior leaders on the subject of work and calling for more than twenty years now he pulls his insights into a thoughtful and practical book for readers everywhere with deep conviction and often surprising advice keller shows readers that biblical wisdom is immensely relevant to our questions about work today in fact the christian view of work that we work to serve others not ourselves can provide the foundation of a thriving professional and balanced personal life keller shows how excellence integrity discipline creativity and passion in the workplace can help others and even be considered acts of worship not just of self interest

in today s increasingly competitive and insecure economic environment we often question the reason for work why am i doing this why is it so hard and what can i do about it work may seem just a means to an end we do it to earn the money to enjoy life outside the workplace here timothy keller argues that god s plan is radically more ambitious he actually created us to work we are to work together to make the world a better place to help each other and so to find purpose for our lives our faith should enhance our work and our work should develop our faith with deep insight timothy keller draws on essential and relevant biblical wisdom to address our questions about work there is grace available if we have taken the wrong attitude idolising money and using our careers to glorify ourselves rather than god this book provides the foundations for a work life balance where we can thrive both personally and professionally keller shows how through excellence integrity discipline creativity and passion in the workplace we can impact society for good developing a better attitude to work releases us to serve others humbly to worship god everyday and leaves us deeply fulfilled

in today s increasingly competitive and insecure economic environment we often question the reason for work why am i doing this why is it so hard and what can i do about it work may seem just a means to an end we do it to earn the money to enjoy

life outside the workplace here timothy keller argues that god s plan is radically more ambitious he actually created us to work we are to work together to make the world a better place to help each other and so to find purpose for our lives our faith should enhance our work and our work should develop our faith with deep insight timothy keller draws on essential and relevant biblical wisdom to address our questions about work there is grace available if we have taken the wrong attitude idolising money and using our careers to glorify ourselves rather than god this book provides the foundations for a work life balance where we can thrive both personally and professionally keller shows how through excellence integrity discipline creativity and passion in the workplace we can impact society for good developing a better attitude to work releases us to serve others humbly to worship god everyday and leaves us deeply fulfilled

please note this is a companion version not the original book sample book insights 1 the bible begins talking about work as soon as it begins talking about anything and it emphasizes the importance of work god created the world as a work of art not as a battlefield between warring cosmic forces 2 god not only created the world but also cared for it he created human beings and then commissioned them to fill the earth and subdue it god works not only to create but also to care for his creation 3 the book of genesis leaves us with a striking fact work was part of paradise we often think of work as a necessary evil or even a punishment but we cannot thrive without it 4 work is so foundational to our existence that it is one of the few things we can take in significant doses without harm leisure and pleasure are great goods but we can only take so much of them

in today s market driven world the relationship between faith and work is vital for every christian in the workforce this book examines how much christian thinking on the subject needs a radical shift traditionally the focus has been on how christians can influence the marketplace often overlooking the profound ways the market shapes our theology with a fresh perspective the book centers on identity contrasting today s individualism with the relational model of the trinity it argues that the market can

erode our christian identity and distort our theology often without us being aware through the insights of british theologian colin gunton who explored the trinity s connection to identity and the work of timothy keller on faith and work the book reveals a crucial truth our understanding of identity is not relational enough to truly engage meaningfully at the intersection of faith and work our foundational theology must be reframed

what does it mean to be called how does one discern his or her calling there has been much discussion about these topics within the church and perhaps much confusion as well what if we could root the nature of the believer s calling and vocation from a missional perspective this book seeks to understand how a deeper understanding of god s mission can help believers discern the work to which they are called and equip them for missional witness in and through their work importantly rooting our understanding of vocation and calling in god s mission gives space for new emphases within the conversations related to faith and work including theologically and contextually grounded emphases on creativity vocational freedom and vocational discernment along with innovative educational models which can support believers as they navigate their work as participants in god s mission when believers connect their gifts talents and creativity with god s work in and for the world in a way that is contextually relevant it opens up opportunities for transformative witness for both believers and for the organizations they serve

keller shows how excellence integrity discipline creativity and passion in the workplace can help others and even be considered acts of worship not just of self interest

is it possible to achieve true happiness in a world filled with stress anxiety and disappointment choose to be happy offers a hopeful and transformative answer combining cutting edge scientific research with profound biblical insights this book guides readers to discover that happiness is not solely based on external circumstances but on intentional and spiritually grounded decisions author geifry cordero a pastor and speaker presents a holistic approach that covers mental health

emotions relationships purpose and faith through practical chapters real life testimonies actionable exercises and additional resources this book invites you to take control of your emotional and spiritual life revealing that happiness is not an accident but a choice perfect for readers seeking personal growth spiritual balance and a fulfilled life supported by both the bible and science

each of us has gifts to offer to the world around us but we have not always identified or deployed them effectively incorporating new research on the impact that our gifts can make don everts explores the many kinds of gifts god gives whether spiritual civic artistic or entrepreneurial discover how our gifts can pave a way for reconnecting with our communities
